

# THE **protein** BAKERY

*adding balance to your news...our tasty updates.*

## Thank You

As our loyal customers know, The Protein Bakery is founded on the principle of balance — from our sweetly decadent, protein-packed baked goods to the way we run the bakery, every element contributes to the big picture of who we are. As we wrap up another phenomenal year, we want to thank you — the customers who make up the largest and most important part of what we do.

## Resolution Season

As holiday decadence draws to an end, many of our friends and family members will be setting out to start and maintain new year's resolutions. No matter their nature, giving someone the ability to indulge in a healthier alternative sweet treat can be just the trick to sticking to it and finding a new you in the new year.
