adding balance to your news....our tasty updates.

NEW FLAVORS

Protein Bakery's newest flavors are online! As with all of our treats, these innovative flavors are high in protein and taste AMAZING! Our new additions have already been featured at some of our favorite retail stores. We sold out of our Peanut Butter Blondies at Chelsea Pier's Sports Center in minutes and Smoothie King stores couldn't unpack our Peanut Butter Macadamia Nut Cookies fast enough—they were selling them from their shipping boxes! Check out our other new combinations that are sure to become your new favorites.
