

THE **protein** BAKERY

adding balance to your news....our tasty updates.

FEATURED FLAVOR

Count on us to tell you something good. And today? It's our scrumptious featured flavor-- as we're constantly inspired by your comments and our own experimentation. The aim is to offer you even more deliciousness. Each protein-packed creation has loads of vital nutrients and fistfuls of flavor. Also, check here for old favorites. These items are only on our new "Featured Flavor" web page. But as the saying goes, nothing good lasts forever; these flavorful ideas are available for a limited time only.

WHAT'S GOIN' ON

-Fashionistas fell head over high heels for our cookies at the New York Fashion Connect event. This premier MTV fete launched NY's Fashion Week. Adding a healthy balance to haute couture, was our own "tasteful" style.
