

THE **protein** BAKERY

10 years and more alive than ever!

The Protein Bakery thanks every person that has enjoyed a cookie, brownie or blondie.

We smile big at the comments & suggestions that have helped make our products the best!

We honor the people that have pulled and delivered orders, designed graphics, mixed batter, sprinkled chips and given their creativity and talents to the bakery.

We send gratitude to those who have sent press releases, featured us on their pages or suggested us to their favorite store.

We send love to the people who have shown their love for others with one of our one-of-a-kind gift sets.

Here's to another 10 years of adding balance to this world, one delicious bite at a time!
